## "FOREWORD"

There is no real information as to where Humphrey Gilbert of Ipswich Mass. came from. All of the New England families seem to have in addition that claimed decent from Sir Humphrey Gilbert, the famous explorer of Devonshire, England. In the case of our own Humphrey there is possibility that the traditions may have some basis, in fact Sir Humphrey, though his son Raleigh did have a grandson of about the same age as Humphrey of Ipswich, Mass. There is no evidence of what happened to him. The claim that he was Humphrey of Ipswich has never been proved and so far as we know, it has not been disproved.

Sir Humphrey Gilbert (1539-1583) one of the earliest of the North American Colonizers, first won fame as an English Navigator and Explorer. During his early manhood he attained distinction in the English Navy. In 1578 he received a commission from Queen Elizabeth to conduct an expedition in search of a new route to India, a little known land in which he became interested. The history of this voyage is obscure, but it availed nothing. He returned to England the next year having lost one of his chief ships and one of his bravest captains. Undaunted, however, he started out in 1583 in command of a second expedition, accompanied by his half brother, Sir Walter Raleigh who owned the largest ship and who turned back two days after their departure from Plymouth, England. Sir Humphrey went on and this time succeeded in planting a colony near St. Johns, Newfoundland, taking possession of the Island in the name of Queen Elizabeth. After this he proceeded southward, encountered a storm and was never heard of again.

The book "THE GILBERT FAMILY" by H. W. Brainard & others, 1953, may be obtained for \$12.50, from A. C. Gilbert Jr., P.O. Box 1016, New Haven 6, Conn.

For those that asked, the abbreviations used in this history are:  
b. born, m. married, d. died, dau. daughter, ch. children.

Elder Linos' Bible is owned by Mr. & Mrs. Forest Gilbert.

1st Gen. HUMPHREY GILBERT b. about 1616, supposedly in England, d. 1658 in Ipswich, Mass., where he had arrived in or before 1642. His 2nd wife Elizabeth Black, dau. of John & Susanna Black was mother of his only son John. See next page

2nd. GEN. DEACON JOHN GILBERT b. 1656 or 7 in Ipswich, Mass., d. there 1723 in his 67th year, m. in 1677. Elizabeth Kilham dau. of Daniel & Mary (Safford) Kilham of Ipswich.-5 sons--7 dau. See next page

1ST GEN.

SUMPHREY GILBERT was residing in Ipswich as early as 1642, when he took part in an expedition against Passaconaway, an Indian Chieftain and his name appears in the list of soldiers who received payment December 4, 1643. (Felt, History of Ipswich, Essex & Hamilton Page 323).

He was one of the contributors to the fund December 19, 1648, to be paid to Major Denison (N.E.M.G. register 2-52). In May of 1650 he purchased land in Ipswich (Ipswich Deeds, I-77). This was near the Wendham line and he attended church there and contributed to the support of the minister 1657. His will of February 14, 1657 or 8 was proved March 30, 1658. Inventory of his estate taken March 10, 1657 or 8 amounted to L. 169/12/06. (lbs.) The only daughter named in his will was Abigail, but mentions wife Elizabeth, son John and four daughters. From Essex Co. Records it appears Hannah the eldest received a legacy from her deceased mother first wife of Humphrey. Apparently all daughters unless Abigail were of his first marriage. No record of either marriage is in New England but if the ages of Hannah and Martha are correct that they gave in their depositions they must have been born there.

2nd GEN.

DEACON JOHN GILBERT was a soldier in King Phillip's War (Bodge, soldiers of King Phillip's War page 449, Felt, History of Ipswich, Essex & Hamilton page 324.) His tombstone is in a cemetery in the part of Ipswich formerly known as "The Hamlet", now in Hamilton; (Essex Antiquarian Vol. II-Page 8). He deeded his lands to his four sons Daniel, Joseph, Benjamin and Noah. Daniel received two fifths and the others one fifth.

3rd GEN.

NOAH GILBERT married second Sarah Lane widow of Jobe Lane. At the age of 18, Noah was given one half of his father's estate at "The Hamlet", Ipswich. The will dated May 25, 1722 conveyed "the east half of my dwelling house, one half the orchard and one half of all real estate not given to my son Benjamin Gilbert." (Essex Co. Deeds 44-195). In November of 1724 Noah sold all his lands to his brother Benjamin and went to Preston Conn., then to Canterbury and on to Mansfield where he died.

In the French & Indian War he served Cap't Jonathon Rudd's Co. 5th Reg. Conn. Militia. He was drafted the 9th or 10th of August, 1757. Thirty eight men rode horses from Windham and Noah was one of the men who attended to the return of the horses. (Conn. Historical Society Collections French & Indian War Rolls, Vol. I-Page 249.)

The Will of Noah of Mansfield was dated May 7, 1763, and was proved December 2, 1768 (Windham Co. Probates Vol. 7, Page 458.) Mentions wife Sarah, sons John and Daus. Sarah Howe, Martha Carey, Lucy Gilbert and son Elisha.

3rd GEN. NOAH GILBERT (YOUNGEST CHILD), Bapt. 1703, Wenham, Mass. (ad-joining Ipswich), d. 1768 in Mansfield Conn. m. 1st. in 1728, Sarah Allen b. 1709--d. 1758, dau. of Wm. & Sarah (Walker) Allen. She was the mother of his 8 ch., Elisha was the youngest. Noah moved about 1724 from Ipswich to Preston Conn., soon after to Canterbury & finally to Mansfield, Conn.

4th GEN. ELISHA GILBERT b. 5-18-1743, Canterbury, Conn., m. 11-16-1768 in Hardwick, Mass. Submit Glazier, b. there 8-8-1739, dau. of Isaiah & Hannah (Thomas) Glazier of Hardwick. Elisha is supposed to have re-sided in Mansfield, Conn. but at the time of his marriage was a resident of Oakham Mass. After his marriage he returned to Mansfield but by about 1776 had moved to Loudon (now Otis) Mass. He was a soldier in the Revolution; residence Loudon. See Mass. Soldiers and sailors of the Rev. War, Vol. 6, pp. 407, 410, 423. The census of 1790 for Loudon show that his wife & 5 of his 6 sons were then living. ch. were ELISHA JR., NOAH, DAVID YOEMANS, JOSEPH, AMOS, AND WILLIAM.

5th GEN. 1. ELISHA GILBERT JR. b. 9-7-1770, Mansfield, Conn. m. Mary (Polly) Messenger of Barkhamsted, Conn. 3 sons--David, Nathan, & John.

6th GEN. REV. OR ELDER LINOS GILBERT son of Noah, ordained a missionary Bap't minister in Coshocton, Ohio (recorded Coshocton Ohio court house) was licensed to preach in 1829 by Mill Fork, Co., Bap't church. Born 4-21-1802, New Brunswick, Conn. He with his parents, brothers, and sisters, migrated to western New York in 1814; later they moved to Pultney, Belmont Co., Ohio, where he began teaching school. At the age of 18, 1-24-1820, Linos M. Margery Dunfee b. 9-14-1801 of Irish parents formerly of West Va. They with their sons and only dau. Margery had moved to Ohio. She d. 6-8-1874, Clark Co., Ill., burial in Auburn Cemetery. Her mother, Eunice Dunfee, d. 1888. In 1851 Elder Linos & family moved to Auburn Township, Clark Co., Ill. The following was copied from "THE HISTORY OF CLARK CO.", Marshall Ill. Library:

"Elder Linos Gilbert was a missionary Bap't minister and finding no church of his demonination closer than 10 miles determined to organize one in the township. In 1852 those interested in the movement met at a school house and effected an organization with the following members: Elder Linos and wife Margery, Electa Gilbert Norris, Sarah Gilbert Wright, Marenda Gilbert Beabout & husband Wm. Beabout, Willis

Gilbert, Eunice Gilbert, and Celia McCune. (This Meranda Gilbert Beabout is thought to have been Elder Linos' sister, for although he had a dau. Marenda. She was only 14 years old at this time and later married Jesse Beabout).

"Soon after this organization, Reverends Fuson, J. Riley, and H. Humphrey met with the society and formally recognized it as a church in regular standing. In 1860 a new log school house was erected about 2 miles northwest of Auburn Ill. and the little church held its services there until 1872 when frame building 30 x 40 feet was erected on the National Road (now U.S. 40) 2 miles west of Auburn and three miles east of Martinsville Ill., at a cost of about \$1,000. Said church was known as "Bethel". Elder Linos preached there about 15 years without pay until ill health caused him to quit. The council of Island Grove Bap't church southeast of Martinsville Ill., appointed Elder Linos moderator of their church. Elder Linos was a militia Cap't and drilled the men ages 18 to 45 when they assembled three times yearly for practice. Elder Linos m. Susan Collins 9-7-1879. He d. 9-30-1888 at Andrew Johnson's residence (his dau. Eunice's home) being 86 yrs. 5 mo. 10 days old. His remains were carried from the church to the grave by 6 of his great grandsons as pall bearers. Burial in Auburn Cemetery. His ch. I REV. NOAH, II. ELECTA, III. LINOS WM. P., IV. SARAH, V. JESSE, VI. DR. SAMUEL SLAUGHTER, VII. WILLIS WESLEY, VIII. EUNICE, IX. MERANDA, AND X. JOSEPH N."

Notes on Coshocton Co., Ohio. Extracts from letter by Miss Harriet Scofield, Western Reserve Historical Society, Cleveland, Ohio, I-II-1961. I delved into Coshocton Co. Material. The histories revealed nothing as far as I covered them, nor the marriage records. However, these latter have been copied down to the 1830's-1835 I think. We have some cemetery records, 6 small volumes, but they have been sent to the bindery. As our library has an outstanding collection of Ohio Bap't association records I checked them and found L. Gilbert or Linos or Linas (all spellings used) there from 1840-1850. I couldn't find him in the earliest Assc. (Meigs Creek) but the Will's Creek Bap't Assc. formed in 1840, had him listed with address "Roscoe", Ohio (Jackson Township). In 1841, he preached at the Butler Township Bap't Church (Knox Co.) on the first Sabbath of the month; Will's Creek Bap't Church (Guernsey Co.) just across the Co. line from Coshocton Co. I guess, since Will's Creek roughly follows the boundary of Coshocton Co. and lies mostly in Coshocton Co. on the 3rd Sabbath; and in Mill Fork Bap't Church on the 4th Sabbath (Coshocton Co.) Some years he was also listed as preacher at the White Eyes Plains Bap't Church. White Eyes Township lies North East of the city of Coshocton, but maintains a separate Post Office still, according to the 1959 Atlas. Jackson Township lies just north of Virginia Township. One interesting item was that Linos Gilbert's name was not in the printed list of ministers and missionary pastors for 1850, but the person who first owned the copy we have had written in pencil beneath the printed list "L. Gilbert, Roscoe." Had ~~he~~ given up preaching in these churches in preparation for his move to Illinois? In 1845 the Will's Creek Assc., formed in 1840, was again divided and the Coshocton Bap't Assc. formed. The first meeting of the latter, in 1846 was presided over by L. Gilbert, Moderator, who preached the introductory sermon from the text, "Song of Solomon, Chap. 8 vr. 5." His address was consistently given as Roscoe. Bap't preachers, not being college educated, were usually known as "Elders."

In the census of 1840 there were these--Virginia Township: Lyman Gilbert: 1 male under 5; 1 male 5-10; 1 male 10-15; 1 male 40-50; 1

### OBITUARY

The funeral services in memory of Elder Linos Gilbert, Oct. 2nd, 1888 at Auburn, Clark Co., Illinois were conducted by Elder R. O. Hawkins assisted by Elder H. Wright, Text Hebrews XIII, 14.

Elder Gilbert was born in Connecticut April 21, 1802 and died Sept. 30, 1888 at Andrew Johnson's residence in Clark Co., being 86 years, 5 months and 10 days old. His remains were carried from the church to the grave by six of his great grandsons as pall bearers. In 1814 his father with his family moved to western New York, where they remained three or four years. They then moved to Belmont Co., Ohio. There Elder Gilbert began teaching school. At an early age he married Margery Dunfee. He became the father of ten children, seven of whom survive him and six of whom were present at the funeral services. The companion of his youth lived until June 1874, when she was called to her reward. In 1825 he settled in Coshocton Co., Ohio and in 1829 was licensed to preach by the Millfork Baptist Church. In 1851 he moved to Clark Co., Illinois where he began at once to labor in the cause of his master and in 1852 the Bethel Baptist Church was organized as the fruits of his labors. He remained its pastor until age compelled him to retire from the pulpit. However, he remained a faithful member of the Church until God in his providence took him from the church militant to the church Triumphant. We all feel that our loss is his gain.

L.W.P. Gilbert

In front of book will be found map marked with X. This shows location of grave of Noah Gen. 5-father of Elder Linos.

5th Gen. NOAH GILBERT has been found in the census of 1800 in Granville, Mass. He had figures of 1 male & 1 female 26-45, & 1 male & 2 females under 10. Then in the 1810 census, right back in his Betsy's home town of Barkhamstead, Conn., Noah's family consists still of 1 male & 1 female 26-45, & 1 male & 2 females 10-16 & 2 males & 1 female under 10. As Linos if b. 1802 would be in the 1800-1810 trio & as he is known to have been b. in Conn., it is likely that the family moved from Granville to Barkhamstead between 1800 & 1802 & that Linos was b. there. Barkhamstead is probably the family's traditional "New Brunswick". We have found that Noah was b. 12-10-1772 & d. 10-11-1851 age 79 yrs., 10 mo. & He came to Ill. in 1851 & d. a few months later. He is buried in Moffit Cem. Lukin Township, Lawrence Co., Ill. His grave is close to the north fence & is easily read. At his side is an infant "Acquillá", infant son of Noah's son Wm. Craig Gilbert & his wife Maria Wilhelm Gilbert.

female 40-50. Nearby was Jesse Dunfee and family and Job Turner, evidently Margery's brother and Linos' sister Sarah. Job Turner had 1 male under 5; 2 males 10-15; 2 males 15-20; 1 male 40-50; a female 5-10; 1 female 15-20; 1 female 40-50.

In Jacksen Township were:

Vachel Gilbert: 1 male 20-30; 1 female under 5; 1 female 20-30.

Linos Gilbert: 2 males 5-10; 2 males 15-20; 1 male 30-40; 1 female 10-15; 1 female 15-20; 1 female 30-40.

Wm. Dunfee next to Linos Gilbert: 1 male 20-30; 1 female 20-30.

The father Noah was gone by 1840 apparently from Virginia Township, but in 1850 Elder Linos' son Noah had appeared there.

I did this work too hurriedly to look for M. daus., except to pick up a Turner in 1840. It seems to me there is a good possibility that there was some crossroads neighborhood across the state line in Conn. That may have been called "New Brunswick" too small to get into an atlas or gazetter, but "Connecticut" for birthplace of Linos must be correct. His father lived for a time in Granville, touching the Conn. line, and his mother was from Barkhamstead, in Conn., just south of the line.

Belmont is on the southeastern border of Ohio, on the Ohio River, which flows almost due south. In 1820 Noah Gilbert was in Pultney right on the river. In mead adjoining Pultney on the south in 1820 was Lyman Gilbert, age 18-26, no wife or family at all. Perhaps he was setting up a farm in preparation to be married. Evidently he was Elder Linos' older brother. He must have married before 1840, for by then he had a son 10-15 in the 1840 census. Contributed by Geoffrey Gilbert--Alberta, Canada.

## "LOOK BEFORE YOU LEAP"

From newspaper of 1892 or 3, clipped by Mrs. William (Emma) Gilbert.

A good story is told on our old friend and comrade Willis Gilbert of Anderson township, which is vouched for by several eye-witnesses. Here is the story:

Mr. Gilbert is a blooming widower and is looking for a help-mate and so the story goes, he had been calling on one of the nicest ladies in that section of the county. Last Saturday evening he went to church at Mt. Pleasant expecting his sweetheart to be there (and she wasn't) When services were over he made a break for the door and when she came up, asked for her company and without waiting for an answer offered his arm which was accepted; they chatted pleasantly as they walked together a distance of about 200 yds. It was noticed that the crowd was having a good time and seemed tickled nearly to death about something but Willis never paid any attention to the common herd who seemingly were trying to see how ill mannerly they could act in company and marched on stepping as high as a blind horse going over a pair of bars. When the lady thought the joke had been carried far enough she informed him she had better wait on her husband or some of the girls might take him home with them. Willis fainted. He had mistaken his girl's married sister for her and her sister's husband had followed and enjoyed the joke as much as anyone which was highly enjoyed by all. The report is Willis is so shaken up he will apply for an increase in pension.

## LIBBY PRISON

How a Confederate Prison vanished from the south & reappeared in the North formed a bizarre episode in post Civil War readjustments. In 1888, Chicago promoters, aware of the crowds who would flock to a worlds fair there four years hence, thought of an attraction. Libby Prison in Richmond had been a notorious hell-hole & scene of a famous tunnel escape. The promoters went to Richmond & for \$23,000 bought the 110-by-132 foot four story building, which had reverted to it's prewar use as a ware house. An architect directed the dismantling: 900,000 bricks, each board, beam & timber-numbered & lettered- all went into 132 railroad cars for the 750 mile trip to Chicago. There, on a Wabash Ave. lot behind a high stone wall, Libby Prison was put together again. It stood the investors the purchase price plus some \$250,000 for relocating when it opened to paying sight-seers in sept. 1889. It was a morbidly fascinating attraction. After 1893, when the fair closed & admissions dropped Libby Prison was again demolished. Souvenir collectors & builders shared the brick. A farmer bought much of the lumber to build a barn in Indiana that today still shows in it's beams the carved initials & century-old datings of Civil War prisoners. ( By A.L.Schuster, Tenafly, N.J.)

- He rests from his labors -

- W. C. Gilbert passes to his eternal home Sunday morning -

W. C. Gilbert passed away at his home 903 East State Street, Lawrenceville, Illinois, Sunday morning at 6:15, following an illness of three months. Death was due to infirmities of age, a gradual wearing out of the human machine. His death had been expected for weeks and time and again it seemed he must give up the unequal struggle with death, but his wonderful vitality carried him through until the rising of the sun on the Sabbath morn.

Early in February he took to his bed with a cold and chronic bronchitis. His condition was aggravated by a weak heart and other complications, and from the beginning there was little hope of his recovery. He had lost the ambition of youth, the desire to live, and longed only to join his loved ones in the other world. During the long weeks of his illness he was comparatively free from pain until the past ten days when he suffered severely at times and death came as a welcome release.

Funeral services will be held at the Methodist Episcopal Church Wednesday afternoon at 2:00 o'clock in charge of Rev. W. H. Storm, pastor of the Christian Church. The I.O.O.F. Fraternity will have charge of the services at the family lot in the Lawrenceville Cemetery. Special music will be furnished by Willard Ward and Mrs. R. R. Trueblood and a male quartet consisting of Willard Ward, W. L. Chamblin, C. O. Dotson, and Rev. W. H. Storm.

William Craig Gilbert was born in Richland Co., Ohio, August 11, 1837, making his age at death 86 years, 7 months and 19 days. He came with his parents to Illinois in the year 1851 and settled on a farm in Lukin township. Here he was apprenticed to a blacksmith, John Keneipp by name, and served his time, later embarking in the business for himself near what was then known as Petersburg, in Lukin township. He was a skilled workman and his fame extended over Lawrence and Wabash Counties. His shop was a congregating place for neighbors for miles around.

On October 29, 1856, he was married to Maria Wilhelm, also a native of Ohio, with whom he spent more than fifty years of happy wedded life. Of the eleven children born to them, seven reached maturity and six of them survive, namely Mrs. Sarah Newland, Mrs. Lillie M. Stoll, Mrs. Ida Dunlap, Newton W. and Frank M. Gilbert, all of this city, and N. C. Gilbert of East Chicago, Indiana. The other child to reach maturity was Mrs. Ellen Swinehart, who died about thirty-five years ago. Four children died in infancy.

In 1864, Mr. Gilbert was elected Sheriff of Lawrence County and moved to Lawrenceville. After his term of two years expired, he returned to his forge in Lukin, and two years later was again elected Sheriff and returned to Lawrenceville, which city remained his home until he passed to that eternal home where there are no sorrows, no suffering and no parting from dear ones. In that space of an ordinary lifetime he saw Lawrenceville grow from a little country village of a few hundred inhabitants to a thriving city of more than six thousand souls. And he contributed to the growth and prosperity of the community in many ways. For the past 53 years he resided continuously at 903 East State Street.

Upon the completion of his second term in the Sheriff's office he engaged in the dry goods business with T. B. Huffman, but their stock was destroyed by fire in August, 1871, and he again took up blacksmithing and for many years he had the leading shop in the city. He also handled farm implements and for years was actively engaged in farming the land where the Central school buildings now stand. He disposed of his shop and equipment about fifteen years ago and since that time has lived a retired life, although retaining his interest in everyday affairs even during his last illness.

He was actively identified with the growth of Lawrenceville, serving as a member of the board of village trustees and as president of that body. When the city was incorporated, he became a member of the board of Aldermen and served in that capacity until increasing years laid their weight upon his shoulders. He was a member of the city board at the time the license question was an issue, and was one of the few to take a determined stand against the open saloon. Both he and his wife were pillars of the Christian Church for more than half a century and their home was a favorite stopping place for itinerant ministers. He was a member of the board of deacons of his church for many years and later served on the board of elders having been made a life member of the latter board about fifteen years ago. His life was an inspiration to many and while his worldly goods were few, he leaves a rich

heritage to his children in a life filled with good deeds. The world is certainly better for his having lived here, and if even there was a crown of righteousness laid up for a mortal, W. C. Gilbert is wearing it at this time. He had no fears of the hereafter. It was to him and he longed to join his faithful wife who preceded him to the other land on July 24, 1913.

In his early manhood in Lukin Township, he taught school for several winter terms and was always interested in bigger and better schools. He was a member of the board of education in Lawrenceville for years, and the history of the city could not be written without frequent mention of his activities.

Politically he was a Democrat, and believed in the doctrines of Jefferson and Jackson.

Fraternally he was a member of the I.O.O.F. and A.F. and A.M. holding the record for continuous membership in both fraternities. He was made a mason on October 22, 1866, and the fiftieth anniversary of his membership in Edward Dobbins Lodge was celebrated in 1916. He served as master of his lodge in 1882 and 1884 and previous to that time filled the office of secretary for many years. He served as treasurer of his lodge for perhaps a longer period of time than any other member, refusing to accept the responsibility when the infirmities of age made it difficult for him to attend the meetings. His record in the I.O.O.F. goes back to the time when few of the present generation were born and fewer still were members. At different times he held all the offices in his lodge and in every sense of the word was a master mason and an Odd Fellow. During the years of his activity his heart and his purse were in his work. His passing removed one of the landmarks from the local fraternities. When the sun sets for the last time in an individual's span of life, it is fitting that we pause to chronicle something of his life's work and the lessons he left to humanity. W. C. Gilbert was faithful to every trust. His guiding star was honesty. He made no compromise with crime or fraud. He lived in the present with his face to the rising sun. He believed in the great divinity that shapes the course and moulds the destiny of worlds and of men. He had faith in the Savior, and a firm belief in the promises of the man of Gallilee. What a magnificent life he lived! What a joy for him to pass out of this world of sin and suffering!

Light lie the earth upon his dear dead heart,  
and dreams disturb him never;  
Be unimagined bliss of soul his part  
Forever and forever.
